**IMLS costs Ohioans**

43¢ per citizen each year

In 2015 there were over **77 million** in-person visits to public libraries across Ohio, or nearly 200 thousand visits each day

The Ohio Web Library provides access to **73** electronic databases for all Ohioans

Without IMLS funds, these resources may be at risk

Nearly **5 million** Ohioans count on the Ohio Digital Library for access to eBooks

Without funds from IMLS, libraries across the state may not be able to afford access

Without IMLS funds, services to Ohio's **15,000** blind, visually impaired or physically disabled citizens would be curtailed

In 2015 over 500,000 Ohioans participated in Summer Reading Programs

Without IMLS funds, public libraries would not receive summer reading materials and summer reading workshops would no longer be subsidized
